Asian American Group

Announces Endorsement

**of Derek Uehara for
State Treasurer**

The Asian American Group Las Vegas (AAGLV), the state's oldest and largest Asian-American community and philanthropic organization, takes great pride in supporting Derek Uehara for State Treasurer of Nevada. The commitment he made to provide financial planning and investment services to our community gives him the experience necessary to be a successful Treasurer. However, it is his leadership and people skills, along with his "out of the box" problem solving, that will make him a great leader for Nevada.

Derek has volunteered his time, money and resources to help the community. We look forward in partnering with Derek to finding new ways to address major issues facing Nevada that can only be solved by leaders such as Derek that are willing to work with the communities to resolve them. We are confident that he will work tirelessly with the Governor, other state legislators and most of all the people of our great State to ensure that Nevada's future will be even more successful.

AAGLV is proud to announce our endorsement of Derek Uehara as he runs for State Treasurer of Nevada in 2018.
